The screenshot shows the 'Antivirus Pro' license wizard window. The title bar is blue with the Avira logo on the left and a close button on the right. The main content area has a white background with the Avira logo in the top right corner. The text 'Welcome to the license wizard!' is displayed. Below this, a message states: 'This wizard helps you to license your Avira product. Please note that an active internet connection is required.' The 'What would you like to do?' section contains two radio buttons: 'Activate product' (selected) and 'Test product'. The 'Activate product' option includes a text field for the activation code, which is highlighted with a red rectangle. The text field is divided into five segments by hyphens. Below the text field, an example code is provided: 'e.g. 93555-5555A-EDS3W-TRCDS-LPUZV'. The 'Test product' option includes a link to 'Click here if you wish to apply for a test license to try out the product's full functionality.' At the bottom of the wizard, there is a 'Proxy settings...' button and three navigation buttons: '< Back', 'Next >', and 'Cancel'.
